1. General Terms and Condition

These terms and conditions apply to all reservations, bookings and any agreements for accommodation whatsoever entered into by 'the Guest' and Hotel Mareuil. A contract exists between the Guest and Hotel Mareuil once a booking has been accepted by Hotel Mareuil; by making a booking, the Guest indicates his/her acceptance of these General Terms and Conditions.

2. Amendment of the General Terms and Conditions

These General Terms and Conditions may be amended at any time and without notice. Before making a booking, we recommend consulting the most recent version on our website.

3. General Terms and Conditions and use of our website

The use of our website is subject to the Terms and Conditions explained below. By using this website, the Customer acknowledges that he/she is legally bounded by these General Terms and Conditions. All discounted rates advertised are limited offers, subject to availability, and may be subject to a minimum number of nights. While every effort has been made to ensure the accuracy of the information presented on the website and social networks, Hotel **Mareuil** disclaims any responsibility for any misinterpretation of this information by the Client.

4. Use of the website

The website can only be used by people over the age of 18, who are of legal age to enter into binding contracts.

5. Online bookings and third-party websites

Please note that different General Terms and Conditions as well as cancellation policies apply to online reservations made through Reservation Agents and other affiliated sites depending on the city, accommodation and rate type selected. Please take the time to carefully read the room rate information that is available before you make your online reservation.

6. Payment terms and the credit card payment process

With the exception of the "Non-refundable" Customer, the Customer will be required to pay the balance in full upon arrival using a nominative credit/debit card. He/she will also have to comply with the verification using the latest technology that uses chip and PIN. The Hotel Mareuil reserves the right to charge a deposit upon arrival. A guarantee of 50€ is required per night and per occupied room in addition to the payment of the stay. The Customer opting for our "Non-refundable" rate benefits from our best available prices at the time of booking. Full payment is required at the time of booking and is definitely non-refundable. As a security measure, our "Non-refundable" customers and those who have made their reservation through a third party and have paid in full for their stay will also be required to validate a pre-authorization of payment on their credit/debit card and provide valid identification upon arrival. Hotel Mareuil accepts all major credit and debit cards as well as vacation checks. Hotel Mareuil does not accept checks. Hotel Mareuil reserves the right to issue a pre-authorization of payment on credit cards used as collateral for reservations for the amount of the first night of the stay prior to arrival. Mareuil Hotel reserves the right to cancel reservations associated with declined or invalid credit cards. Credit/debit card transactions will be charged at the local exchange rate, Hotel Mareuil is not responsible for any additional charges that may be applied.

7. Cancellations and no shows

Cancellation of a reservation will only be effective from the date of receipt. Cancellation conditions are specific to each type of fare and are detailed during the reservation process. Cancellation must be done by e-mail. A cancellation confirmation will be sent to you. If you do not receive a cancellation confirmation, it is quite possible that we did not receive your cancellation. It is the client's responsibility to ensure that their cancellation request has been received. Cancellations must be received by us by noon (local time) two days prior to the scheduled arrival date for all reservations made through a third party partner, unless otherwise contractually agreed. Cancellations of reservations made directly on the hotel website are subject to the conditions stated in the reservation. It is important that you keep the cancellation number sent to you. If the Client does not show up or attempts to cancel within 48 hours of the scheduled arrival, he/she is considered to be in the "No Show" category and will be charged the full non-refundable amount. Cancellations are not permitted for the "Non-Refundable" rate, as long as the full amount and any extras have been charged at the time of booking. If you cancel for any reason, or attempt to change your reservation, or do not show up on the day of arrival, your payment is

non-refundable. The Client agrees that the above cancellation fee is a fair and true estimate of the loss that Hotel Mareuil would incur for cancellation of a reservation.

8. Bookings made through other channels

Bookings can be made through other sources, for instance online travel agents, tour operators or other websites that apply different cancellation policies. Please consult your booking confirmation for more information.

9. Hotel Mareuil relocation policy

While every reasonable effort has been made by Hotel Mareuil to ensure that reservations made under this agreement are able to be honored, we reserve the right to relocate any reservation to accommodation of similar size and standard in the locality. The Client acknowledges that the Hotel Mareuil accepts no responsibility for any loss or damage suffered by or caused to the Client following the relocation.

10. Changes to the booking at the request of the Guest

If the Client wishes to change their booking (e.g. change the dates of stay or accommodation requested), Hotel Mareuil cannot guarantee that they will be able to do so and accepts no responsibility for any loss, damage or additional expenses that may arise in such circumstances. While changes are not permitted for the non-refundable rate, they are permitted for flexible reservations (subject to availability) if requested no later than 24 hours prior to the scheduled arrival. Additional charges may apply if the accommodation rate for the new nights differs from the previous reservation. All requests for changes must be made in writing.

11. Identification, security deposits for damages and extras - Payment card pre-authorization

You will be asked to provide photo identification upon arrival. The bedrooms can only accommodate the maximum number of guests indicated in the description, and in accordance with the legislation concerning establishments receiving the public. No additional visitors are allowed. Upon arrival, the guest must provide the hotel with the names of all guests staying with him/her. Unfortunately, the names of any additional visitors cannot be added once the check-in has been completed. Hotel Mareuil reserves the right to charge a deposit upon arrival. Only one payment can be taken, and only the responsible person will assume responsibility for the conduct of other occupants. The payment will be used to cover incidental items including, but not limited to, breakage, damage to residence property, cleaning charges due to the room being left in an unacceptable state of cleanliness, and violations of rules such as smoking in the rooms or disturbing other visitors enjoying the hotel. The deposit may also be used by the management team in the event of additional visitors not authorized to use the hotel and its facilities. At the end of your stay without incident, the pre-authorization will be released according to the policy applied by your bank. As a general rule, it takes between 3 to 10 working days, however for some banks this period is extended. The Client should note however that with the pre-authorization system, there is no money transfer at the moment, but this will affect the available balance and the spending threshold allowed with the card, as long as the pre-authorization is in progress. Hotel Mareuil is not responsible for delays related to pre-authorization releases by credit card companies. In the event of disruption to other guests, or damage to the hotel, the cost to Bass Hotel will be deducted from the deposit paid, and only the remaining balance will be returned to the Client. If such

cost exceeds the amount of the bond, the Client agrees to indemnify Hotel Mareuil for any damages, additional cleaning costs or other expenses and agrees to pay all costs of recovery including all legal fees, and other expenses. The Client hereby gives its consent to Hotel Mareuil to charge the Client's credit card for all reasonable expenses incurred that are not covered by the Deposit.

When paying online, the guest will be required to carry the credit card used in his/her name. The credit card used for payment will be requested by the hotel upon arrival.
